Thank you very much for completing an application of interest in serving as a member of the San Joaquin County Mosquito & Vector Control District. It is people like you who are willing to donate their time and talent that make Lodi a very special place.

There were many excellent applications received, making the review and appointment process a difficult one; however, a choice had to be made. The candidate selected by the Mayor was appointed at the regular City Council meeting of February 20, 2008.

Your application will remain on file for review and consideration of future vacancies for a period of one year from the date it was received by the City Clerk's Office.

Your time and interest in serving your community is appreciated.

Sincerely,
